

ATHLETICS TEAM IN 1952

Back row: **John Morgan, Mr McGinty, Gerald Beeney**
Front row: **Michael Green, Peter Gough, John Tanton**

This is the team which broke the record for the 4x110 yards relay and won the Bowles Cup at White City.

They set a record time of 46.1 seconds. It is not known how long the record stood for, nor whether it was ever broken. Nowadays, athletic records involve metres rather than yards, so there is no direct comparison with modern 4x100 metres relay races. It is noted that 110 yards=100.584 metres, so the imperial measurements course is slightly longer.
